

With health insurance, they'll be ready for whatever the school year brings.

Kids who have health coverage are better prepared to do well in school and succeed in life. Medicaid and CHIP offer free or low-cost health insurance for kids and teens. Children can get regular check-ups, immunizations, doctor and dentist visits, hospital care, mental health services, prescriptions and more. Children in a family of four earning up to \$48,600 a year or more may qualify.
